3. There were no matters arising.
4. Chairs report –

Due to Covid 19 our AGM unfortunately is two years later than it should be and we have not been able to operate as we had done in the past. It seems that other PPG's are similar to ours and only just picking up post pandemic.

Our membership is fairly stable. We have two new members since the last AGM David Segens and Peter Ryland who are most welcome. It would be nice to have a recruitment drive looking to encourage younger patients to join the PPG giving a wider range of ages and ideas. Perhaps having a mid morning meeting which might be better for young parents.

We have a clean slate to move forward now and perhaps we can learn from the past and do some things differently.  
Barry Tarling (chair)

5. Treasurer's Report-  
The balance in Barclay's bank to-day is £503.71  
In the last two years our only outgoings have been to renew our NAPP membership which is £40 per annum.  
Grace Cheese (treasurer)
6. Election of Committee Members-  
Each post is open for anyone to volunteer

Chairperson – Barry Tarling kindly volunteered and it was agreed unanimously that he would continue as chair.

Secretary – Elaine Bounds agreed to continue as secretary and this was agreed unanimously.

Treasurer – Grace Cheese agreed to continue as treasurer and this was agreed unanimously.

This concluded matters relating to the AGM and the meeting continued to discuss the committee agenda items.
